

Corporate Governance

Ethics, Transparency, and Accountability

Governance Framework

The Board of Directors of Plexuspharmaco Europe is committed to maintaining the highest standards of corporate governance. We believe that robust governance practices are essential to preserving trust, mitigating risk, and ensuring the long-term sustainability of our enterprise.

Board Composition

Our Board comprises 12 directors, 9 of whom are independent. The composition reflects a diverse blend of expertise in pharmaceuticals, international finance, regulatory affairs, and digital health technology.

Committee	Chairperson	Independence Ratio	Meetings in 2025
Audit & Risk	Dr. Heinrich Mueller	100%	8
Compensation	Sarah Jenkins	100%	5
Nomination & Governance	Elena Rostova	80%	4
Science & Technology	Dr. Amara Singh	75%	6

Business Ethics and Compliance

Plexuspharmaco operates under a strict Global Code of Conduct. In 2025, we enhanced our whistleblower protection mechanisms and completed mandatory anti-bribery and anti-corruption (ABAC) training for 100% of our global workforce. We maintain a zero-tolerance policy towards any breaches of ethical conduct or regulatory non-compliance.

For more detailed information on our governance charters, policies, and executive compensation framework, please refer to the Investor Relations section of our website.
