

FINANCIAL & INVESTOR REPORT

Q4 Earnings Release 2022

Plexuspharmaco GmbH

1. Executive Overview

Plexuspharmaco GmbH reports strong financial results for Q4 2022. Our continued expansion across key European markets, coupled with disciplined capital allocation and investments in high-barrier pharmaceutical R&D, has positioned the organization for sustainable growth. All figures comply with International Financial Reporting Standards (IFRS).

3. Strategic Highlights & Outlook

- Accelerated European market penetration across EU Member States.
- Expanded GMP manufacturing capabilities and validated cold-chain logistics networks.
- Robust investment in bioequivalence (BE) studies and dossier preparation.
- Zero material non-compliance events recorded across all audit cycles.
