

FINANCIAL & INVESTOR REPORT

Annual Sustainability & ESG Report 2026

Environmental, Social, and Governance Commitments

1. Executive Overview

Plexuspharmaco GmbH reports strong financial results for FY 2025/2026. Our continued expansion across key European markets, coupled with disciplined capital allocation and investments in high-barrier pharmaceutical R&D, has positioned the organization for sustainable growth. All figures comply with International Financial Reporting Standards (IFRS).

2. Financial Performance Summary

Financial Metric	Current Period	Prior Period	YoY Growth / Change
Carbon Footprint Reduction	-22.4% CO2e	-15.1% CO2e	+7.3% Improvement
Recyclable Packaging Ratio	94.2%	88.0%	+6.2%
Renewable Energy Usage	81.5%	72.0%	+9.5%

3. Strategic Highlights & Outlook

- Accelerated European market penetration across EU Member States.
- Expanded GMP manufacturing capabilities and validated cold-chain logistics networks.
- Robust investment in bioequivalence (BE) studies and dossier preparation.
- Zero material non-compliance events recorded across all audit cycles.
